

BIO CHAIRS

From nature to your office

BIO COLLECTION

Sustainable ergonomics is our mantra. Combining natural inspiration with human comfort inspired us to introduce our Bio chair collection , upholstered with Fabour, a locally sourced natural fabrics that are enriched with graphene for Anti-Bacterial and Stain resistance properties.

DESIGN THAT DOES NOT COST OUR EARTH

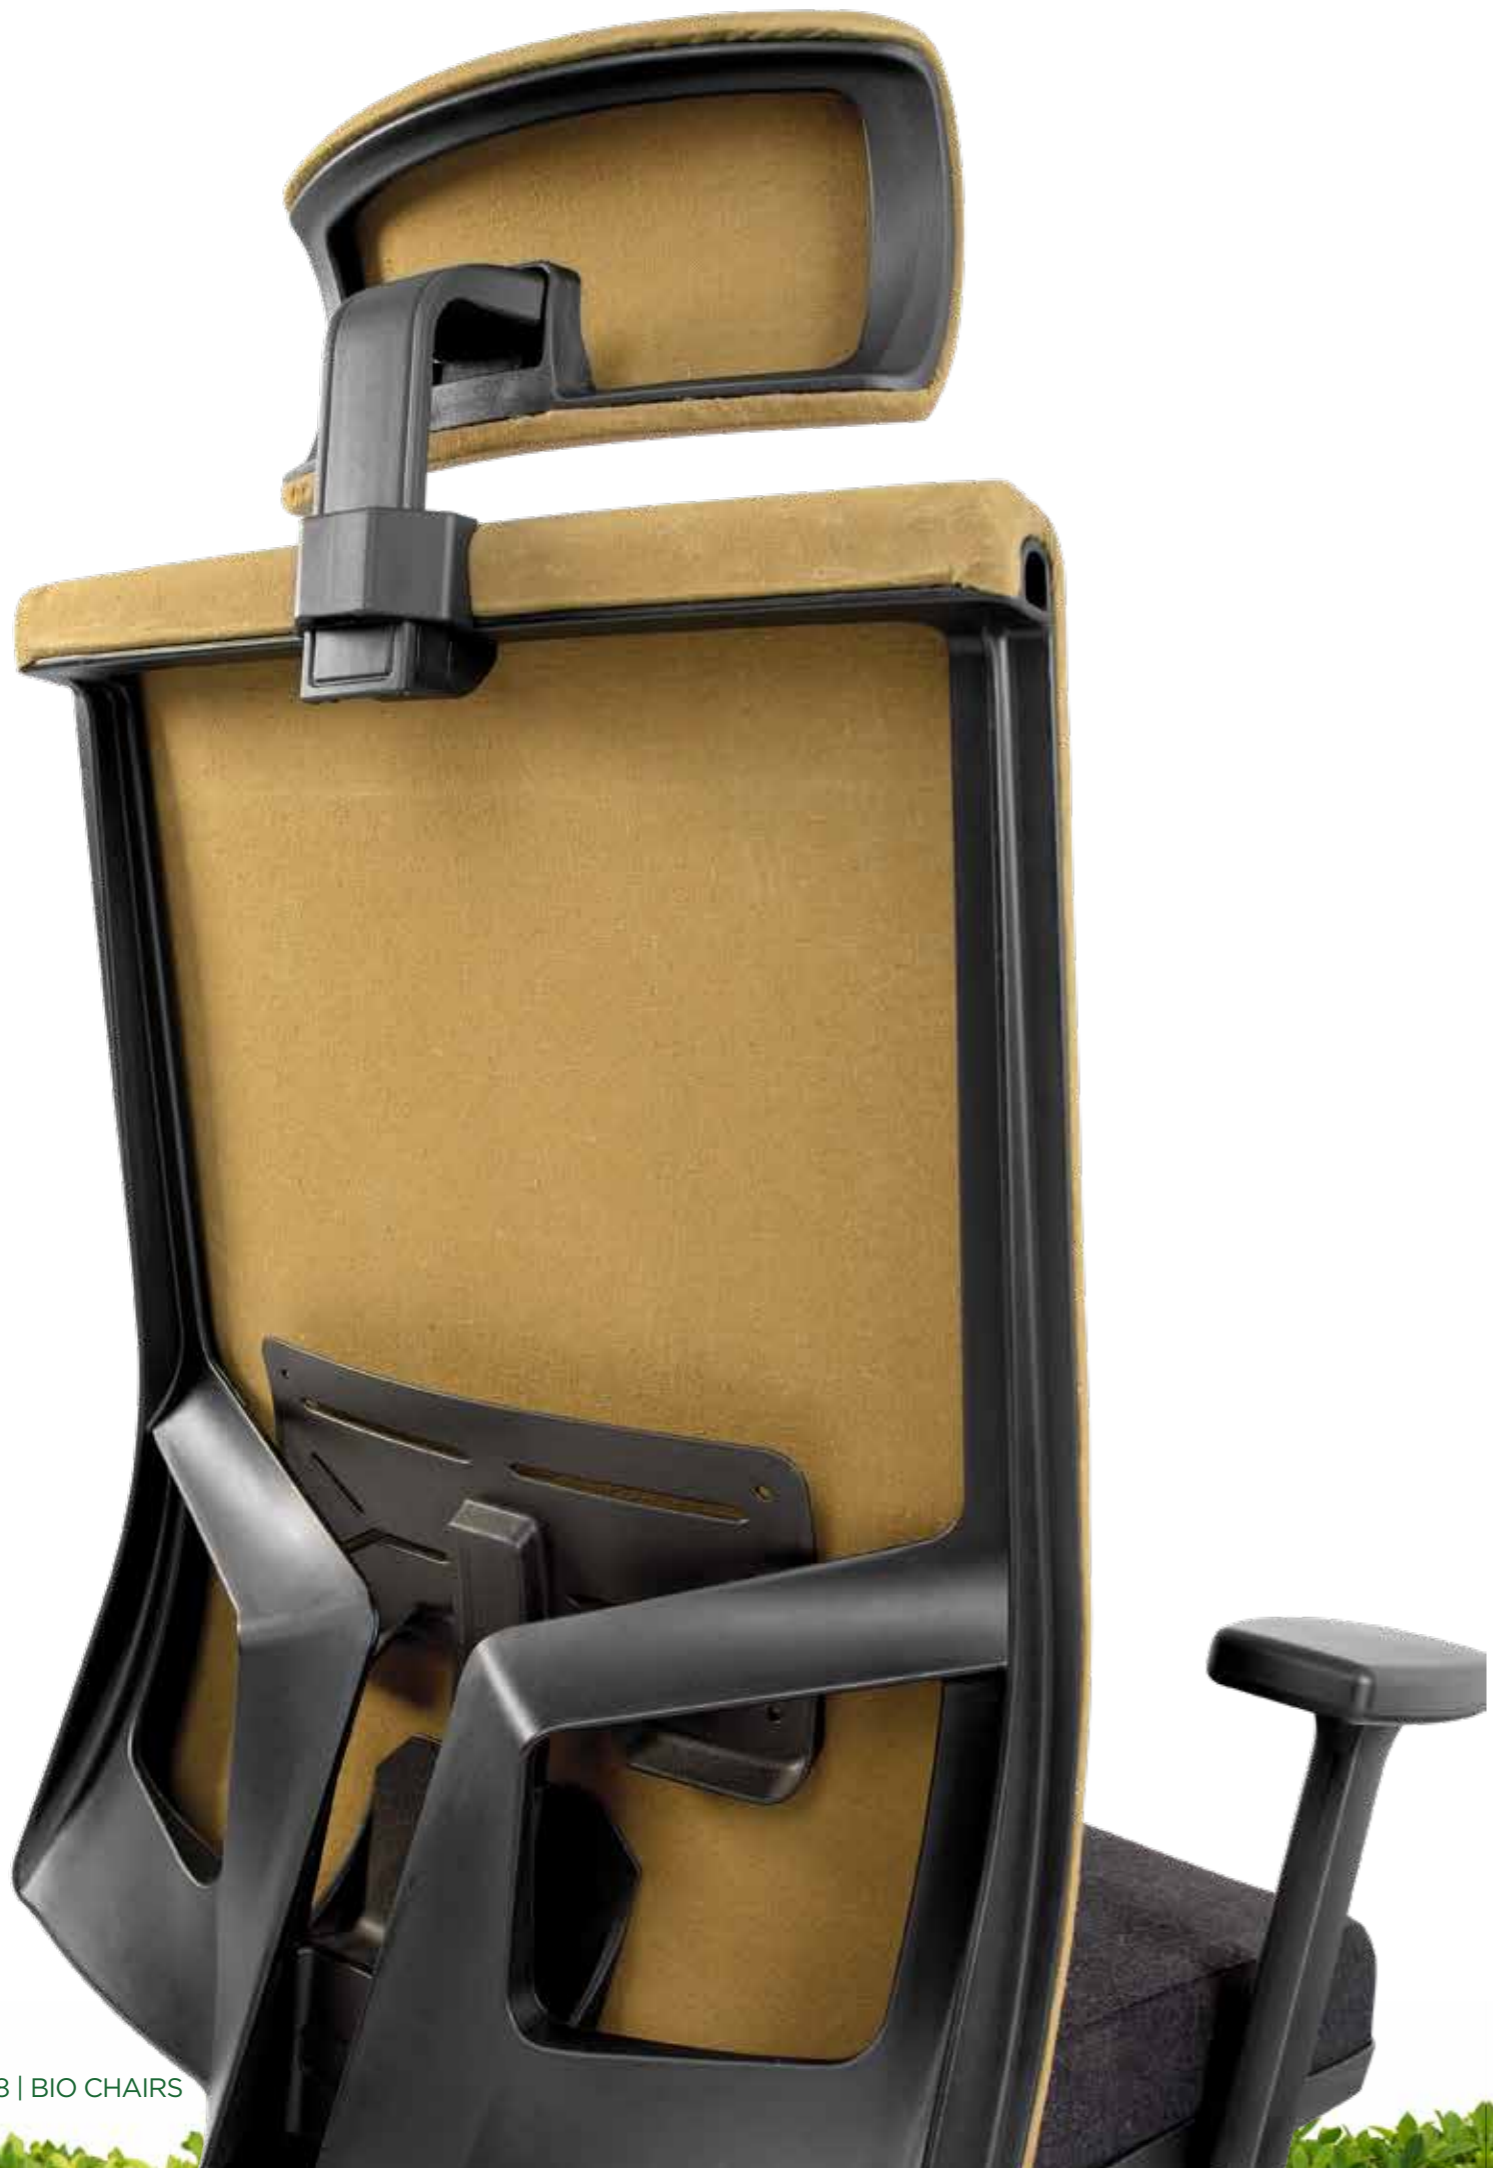

Bio collection has chair's than you can feel good about for a lot of reasons. Including the fact each chair is made almost entirely from Natural fabrics sourced 100% from locally grown natural fabrics to help nurture our environment.

NATURAL BORN COMFORT

Created from thousands of hours of research into how we live our dynamic modern lives, Bio chairs are born to move, just like you, whenever you do.

SAFE FOR US AND THE PLANET

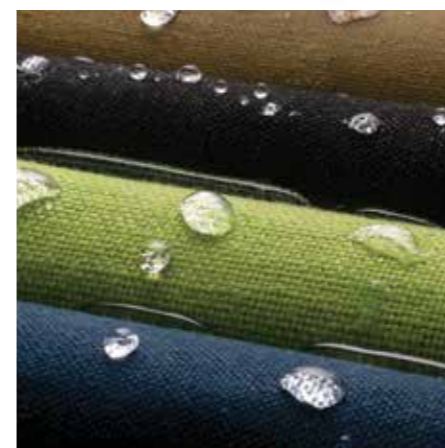

Transteel's Bio chairs is a collection of Ergonomic seating based on sustainable and dynamic design principles. It comes complete with Jute, Cotton and Hemp fabric varieties of Fabour, making it water and stain - resistant, easy to clean, anti-bacterial, and 100% Eco-friendly.

LET THE COLOUR IN. MAKE IT CHANGE YOUR LIFE AND WORK

Colour have a great power. They Influence our mood, can positively stimulate and be the perfect background for effective work and communication. Graphene enriched Fabour Natural fabrics like Jute and cotton come with Anti Bacterial, Anti Stain and Spill resistant properties and easily help in replacing traditional geo and black with fresh colours and makes helps create spaces in which we can feel good and thrive.
